3. ABOUT ME

Headline: Hi, I'm Wendy 🐾

I'm Wendy Chairez, the human behind Hollywood Bark. Since November 2023, I've been caring for dogs right from my home in Hollywood Park, Texas — no kennels, no concrete runs, just couches, backyards, and a whole lot of love.

What started as helping a few neighbors turned into the **Hollywood Bark Pack**: a small, happy group of regulars who nap on my couch like they own it (they kind of do). With 100+ five-star reviews on Rover, I'm proud that most of my clients come from referrals — neighbors telling neighbors.

Why families choose us:

- 🏠 Real home environment — dogs live with us, not in kennels
- 💛 Small groups, big love — every pup gets personal attention
- 🩺 Pet CPR & First Aid certified
- 📸 Photo updates so you never miss a moment
- 🗣️ Hablamos español

When your dog stays with us, they're not a booking — they're part of the pack.
